THE JOURNEY

Nine days, *safari and the sea*

A night beneath Mount Meru, three in the Serengeti wherever the herds are that month, then Stone Town and the Zanzibar coast.

Fly from Arusha to the Serengeti for three nights in camps chosen for the season: calving in the south from January to March, and the northern migration and the Mara River crossings from July to October. Then fly to Zanzibar for a night in Stone Town at Park Hyatt Zanzibar, Prison Island and a guided walk through the old town, and three nights on the coast, all-inclusive, with a private cruise and the Queen Farewell Dinner.
